

Sponsorship Information

We thank you for any contributions you can provide to this conference. Without your financial contribution, it would be impossible to host a conference of this magnitude and hold the registration fees to a level that many airports and small companies in Wisconsin could afford to attend.

Sponsorship levels for the 55th Annual Wisconsin Aviation Conference are Corporate Excellence (\$3,000 and up); Platinum (\$1,000 – \$2,999); Gold (500 - \$999), and Silver (\$250 - \$499).

Please follow these simple steps to register online:

1. Go to the [Conference Sponsor Registration Form](#) on our website. Fill in the form. The contact person you list on the form will receive a complimentary registration (golf/clay shoot activities not included). Depending on the level of sponsorship, up to 4 complimentary registrations are included.

3. When the form is completed, hit continue and pay securely through PayPal, major credit cards, or by check.
4. Go to the conference [Attendee Registration form](#) on our website.
5. Fill in the form with the contact person you listed above on item 2. Under Registration Fees, select "Complimentary Registration (sponsor, exhibitor, commissioner) - \$0.00." When you complete the form, hit continue and select pay by check. It will show zero fees.
